Social Security for Spouses, Widows and Divorced Clients with Kurt Czarnowski, Former Director, Social Security Administration

2:00 Eastern on April 30, 2013

During this free webinar, Kurt Czarnowski will educate you on how Social Security benefits are calculated for clients who are married, widowed, or divorced. Kurt will take questions at the conclusion of the presentation, which offers a great learning opportunity as you can listen to a discussion of a variety of client “cases.”

One CE credit is available for those holding a CFP® designation. Participation is free, but space is limited, and advanced reservations are required. To secure your reservation, **please complete the form below.**
